1. SYNOPSIS OF INVESTIGATION

Investigation revealed a well-orchestrated scheme by the accused. Suresh Yadav, as Branch Manager, sanctioned loan facilities to 22 accounts — 13 gold loans and 9 cash credits — without any legitimate collateral. The gold stated to be pledged (■7,00,00,000) was never deposited. Loan limit entries and disbursements were posted using A-1's and A-2's CBS logins after banking hours, and the proceeds were transferred into a web of 11 inter-connected accounts (A-4 to A-14) which showed circular fund rotation. Anita Rawat (A-3) was instrumental in preparing forged KYC documents and signing off 'cash paid' vouchers without actual disbursement. Searches conducted on 20-Feb-2026 recovered documents, digital devices and part jewellery worth ■1,02,00,000. The accused were arrested between 20-Feb-2026 and 05-Mar-2026 and are in judicial custody.
